Every Ticket Helps!

Thank you for supporting Coastguard.

Coastguard is the charity saving lives at sea. Every year Coastguard volunteers answer the call and work around the clock to help ensure that New Zealanders have a safe sea. We are currently covering 300,000km of coastline and costing New Zealanders over $12 million to maintain. Each year 1,200 volunteers answer the call and Coasters save between 100 and 120 lives. That’s an average of 30 rescues a month for over 2,000 brave volunteers. The funds raised from this summer and winter lotteries will help support the operation of Coastguard throughout the year. Thank you for your support!
