Commenting or voting during the meeting

At specific times during the meeting, you will be invited to comment on aspects of the reports. If you would like to do so, Zoom has a feature that allows you to do so easily.

At the bottom of the screen, there are two icons:

Raise Hand – at points during the meeting we may ask for people to second or move a motion. If you would like to second or move a motion, please click 'Raise Hand'.

The icon will turn blue, and will be visible to presenters.

Q&A – if you would like to comment during the meeting, please click 'Q&A' and type your question in the box. The presenter or one of the team will reply as soon as they are able.

Etiquette

- For the duration of the meeting, all attendee's microphones will be muted unless one of the presenters invites a person to speak.
- Please note that while you can send a comment at any time (and we will endeavour to address as quickly as possible), we will only address comments at stated points of the AGM, so as not to disrupt the flow of the meeting.

- Your comments will be publically visible and a matter of record. If you are invited to speak, please keep your comments short and polite.
- We reserve the right to limit speeches or to not answer comments that are out of the scope of the meeting.
